**Hansard Page:** Written

**Senator Payne** asked:

Can the department provide an update on the Housing Affordability Fund? Have all projects under the HAF now been completed?

**Answer:**

While all agreed funding was paid in 2012-13 (funding ended on 30 June 2013), project deliverables will continue up until 2028 under the terms of individual funding agreements including agreed milestones for housing deliverables.

Of the 68 HAF projects, 21 have been fully completed and the remainder are on track.
