BUDGET ESTIMATES – 5-6 JUNE 2014 ANSWER TO QUESTION ON NOTICE

Department of Human Services

Topic: Review measure for DSP recipients

Question reference number: HS 28

Senator: Siewert

Type of question: Hansard page 12, 6 June 2014

Date set by the committee for the return of answer: 25 July 2014

Number of pages: 17

Question:

Senator SIEWERT: Could you take on notice how many of the customers who receive DSP that you are going to reassess are in the city versus the regions?

Ms Campbell: We will take on notice.

Answer:

The Department of Human Services was unable to extract the data for this measure by city versus regional location but has been able to extract it by postcode. Attachment A provides the customer cohort for the DSP medical review measure by postcode.

Please note that customers will be pre-screened before review by a centralised team to ensure that their circumstances have not changed and that they continue to meet eligibility criteria before a review commences.

Please also note that the total for Attachment A is 25,676. Original estimates for this measure were that 28,000 customers would be reviewed. Attachment A is a more recent, point in time report of customers eligible for review as of the date of extraction on 20 June 2014.

ⁱAll cells that have a value of less than 20, including zero, have been changed to display '<20'. This rule has been employed for privacy reasons. Where the total fields are included these will only have a value when it does not make it possible to work out the value of any '<20' fields.
