Topic: Agency Alignment

Type of Question: Written Question on Notice

Senator: McLucas, Jan

Question:

What is the breakdown of the 118 ASL between HWA, GPET and ANPHA?

Answer:

The breakdown of Health Workforce Australia, General Practice Education Training and the Australian National Preventive Health Agency's budgeted ASL for 2014-15 is outlined in the table below.

Health Budget Measure (2014-15)	Staffing (ASL)
	2014-15
More Efficient Health Workforce Development	83
Australian National Preventative Health Agency – abolish	16
Rebuilding General Practice Education and Training	19
Agency Alignment Total ASL	118

Actual ASL by agency may vary from these budgeted figures and will not be available until associated windup planning, due diligence, and expression of interest processes are completed across each agency.
