Question:

What was the grant to Charles Sturt University Dental Clinic funding? Has this now been cancelled/cut?

Answer:

The previous Government committed \$15 million as part of the Economic Statement 2013 for Charles Sturt University to expand community dental clinic developments at Taree, Port Macquarie, and Kempsey.

Upon review of all uncontracted funding arrangements as part of the 2014-15 Budget process, the Government decided not to progress this measure.
