**Type of Question:** Written Question on Notice

**Senator:** Jan McLucas

**Question:**

Please provide a list of all primary care, allied health and related services that the Darwin, Rockingham and Wynnum GP Super Clinics were going to provide, including after-hours services.

**Answer:**

These three GP Super Clinics were still in the planning stage and therefore had not finalised operational plans or the recruitment of clinical service providers, so the specific services and operating hours for each clinic had not been confirmed.
