HEALTH PORTFOLIO

Budget Estimates 2014 - 2015, 2/3 June 2014

Ref No: SQ14-000648

OUTCOME: 7 - Health Infrastructure, Regulation, Safety and Quality

Topic: eHealth Records

Type of Question: Written Question on Notice

Senator: Brown, Carol

Question:

Please provide a month by month breakdown of enrolments for eHealth records since commencement in terms of:

- a) numbers of registrations
- b) registrations by age
- c) registrations by gender
- d) registrations by state/territory, and the percentage as a proportion of total populations
- e) registration by ASGC-RA classification

Answer:

The Department of Health is unable to provide this level of detail/information on a month by month basis, including by ASGC-RA classification, as the considerable work involved would require a significant diversion of resources.

The Department can, however, provide a breakdown of the number of consumer registrations on a month by month basis and a breakdown of consumer registrations by age, gender and state/territory at a point in time. This information is attached.
