ANSWERS TO ESTIMATES QUESTIONS ON NOTICE

HEALTH PORTFOLIO

Budget Estimates 2014 - 2015, 2/3 June 2014

Ref No: SQ14-000776

OUTCOME: 9 - Biosecurity and Emergency Response

Topic: Dengue Fever

Type of Question: Hansard Page 94, 3 June 2014

Senator: McLucas, Jan

Question:

In your answer to a question on notice from Senator Boyce from last estimates, the Department says, 'At present the risk of local outbreaks from the imported cases is restricted to urban areas of Queensland.' What is the level of dengue in the Torres Strait? It is regarded endemic in Cairns?

Answer:

Please refer to the response provided to Question on Notice SQ14-000775.
