**OUTCOME:** 5 - Primary Health Care

**Topic:** headspace

**Type of Question:** Hansard Page 114, 2 June 2014

**Senator:** McLucas, Jan

**Question:**

Can you please explain the rationale behind the funding allocation for the 10 new headspace centres over the next four years? I note that it is not evenly split – but rather, the middle 2 years are quite low funding levels. (Refer to discussion on page 114-115 of transcript 2/6/14).

**Answer:**

This funding allocation does not represent the total funding allocation for the expansion of the headspace programme.
