Ref No: SQ14-000909

OUTCOME: 1 - Population Health

Topic: McKeon Review

Type of Question: Hansard Page 69, 3 June 2014

Senator: McLucas, Jan

Question:

Has any advice been provided by the department in terms of a response to the McKeon review? When did Senator McLucas' office receive the response to the McKeon review?

Answer:

The Medical Research Future Fund, together with other health and medical research budget measures announced on 13 May 2014, respond to the Strategic Review of Health and Medical Research (McKeon Review). This important Review will continue to inform the Government's future policies on health and medical research.
