Topic: Reward funding available to ACT under the National Emergency Access Target of the National Partnership Agreement on Improving Public Hospital Services

Type of Question: Hansard Page 30, 2 June 2014

Senator: Seselja, Zed

Question:

For each of [2012 and 2013], what is the potential reward funding for the ACT if they were to meet all of their [National Emergency Access] targets?

- Ms Anderson answered: "For the ACT, the reward funding available for 2012 performance is \$800,000"
- Senator Seselja followed this with a further question: "It is a new one. In 2013?"
- Ms Anderson answered: "I think it would be the same, but I will need to check that"

Answer:

For the ACT, the reward funding available for achievement against the National Emergency Access Target for 2012 and 2013 under the National Partnership Agreement on Improving Public Hospital Services is:

- 2012 - \$810,000; and
- 2013 - \$810,000.
