**Ref No:** SQ15-000517

**OUTCOME:** 7 - Health Infrastructure, Regulation, Safety and Quality

**Topic:** Palmerston Hospital, Northern Territory

**Type of Question:** Hansard Page 89, 1 June 2015

**Senator:** Peris, Nova

**Question:**

Is there anything that is tangible? You were just talking about hard hats and fencing. Is that written in the contract that you have with the NT government?

**Answer:**

Evidence of the commence construction milestone for the Palmerston Hospital project include the Northern Territory's confirmation that a managing contractor has been engaged for this project and has taken possession of the site.
