**Topic: Child care usage**

**Hansard page: Written**

**Senator Lines, Sue** asked:

For each state and electorate, how many children and families currently access subsidies Long Day Care, Outside School Hours Care and Family Day Care?

**Answer:**

Data at the state and territory level is reported on pages 4 and 6 of the Department of Social Services publication *Early Childhood and Child Care in Summary, June quarter 2014*, which can be found at <http://www.mychild.gov.au/documents/child-care-early-learning-june-14>.

Providing this data by electorate would be an unreasonable diversion of resources.
