2015-16 Budget Estimates Hearings

Outcome Number: 3.1 Access and Information

Question No: SQ15-000634

Topic: Cross Billing

Hansard page: Written

Senator Rachel Siewert asked:

Can information from these cross invoicing arrangements help inform the NDIS rollout?
If so how?

Answer:

Yes. Information from the cross-billing arrangements about the number of younger people in aged care programmes and funding levels can help to inform the future financial and service delivery arrangements under the National Disability Insurance Scheme.
