Outcome Number: 5.1 Disability, Mental Health and Carers Programme

Question No: SQ15-000663

Topic: Advocacy

Hansard page: Written

Senator Siewert, Rachel asked:

How will NDAP relate to the cross disability Alliance the Department of Social Services has funded?

Answer:

The Australian Government funds the National Disability Advocacy Program (NDAP) to ensure people have access to advocacy support. Data on systemic advocacy issues collected by NDAP and provided to the Commonwealth is shared with the Australian Cross Disability Alliance to further support the Alliance in contributing to government policies and reforms impacting people with disability, their families and carers.
