**Topic: NATSEM modelling**

**Hansard page: CA83, 4 June 2015**

**Senator Moore, Claire** asked:

Has the department done its own consideration of the impact on a couple family on a single income of \$65,000 with two school-age children and the impact of the budget decisions on them?

**Answer:**

The Department has modelled a wide range of income and family scenarios in support of the Government's policy development. More detail would be required to determine whether a specific scenario has been modelled.
