Topic: Nanny Pilot Programme

Hansard page: Written

Senator Hanson-Young, Sarah asked:

How are the eligibility criteria for in-home care different to the Nanny In-home care pilot?

Answer:

In Home Care has strict eligibility criteria prescribed in Family Assistance Law. In contrast, the Nanny Pilot Programme has minimal family eligibility criteria (such as combined family income less than \$250,000) to enable a range of families across a number of priority areas to be selected to inform future Government policy regarding care provided in the family home.
