Outcome Number: 3.1 Access and Information

Question No: SQ15-000570

Topic: Access to Aged Care Facilities

Hansard page: Written

Senator Linda Reynolds asked:

Could you advise how many relatives or advocates have had their access restricted after complaining about the standards of care given to their relatives?

Answer:

The Aged Care Complaints Scheme does not collect data relating to the number of relatives or advocates who have had their access restricted after complaining about the standards of care given to their relatives.
