Outcome Number: 2.4 Support for Child Care System Question No: SQ15-000764

Topic: Orima Research

Hansard page: CA13, 5 June 2015

Senator Lines, Sue asked:

With regards to the 24 per cent of the 2000 participants in the Orima Research who said they would work more, are you able to breakdown the demographics?

Answer:

The research and its results are not publicly available as they continue to be used by Government as part of its policy deliberations, including to refine thinking on future policy for child care and early learning.
