Outcome Number: 2.4 Support for Child Care System Question No: SQ15-000773

Topic: Workforce Participation

Hansard page: CA13, 5 June 2015

Senator Lines, Sue asked:

When you have looked at those figures on women's participation, did you also take into account the availability of jobs?

Answer:

It is estimated that 240,000 families will be encouraged to increase their involvement in paid employment because of the new child care measures.
