Outcome Number: 2.4 Support for Child Care System Question No: SQ15-000774

Topic: Childcare Support Service

Hansard page: CA17, 5 June 2015

Senator Lines, Sue asked:

I do not have a page number, but I am looking at program 1.1 deliverables—childcare support service. I think it is 3—Department of Social Services 2015-16 budget measures, Table 1.2. Is there a reason specific reporting on each of these indicators has not continued in the 2015-16 PBS?

Answer:

As responsibility for child care programmes moved to the Social Services portfolio since the 2014-15 Budget, there is a different practice about how information in the Department of Social Services PBS is provided.
