**Topic: Child Care Subsidy**

**Hansard page: CA020, 5 June 2015**

**Senator Lines, Sue asked:**

How many people will be worse off as a result of the government's childcare changes and how many will be out of the childcare system altogether?

**Answer:**

The Child Care Subsidy is designed to provide assistance with the cost of child care for parents engaged in work, training or study or other recognised activity. Families who undertake at least four hours of activity per week will be eligible for up to 18 hours of subsidised child care per week. This will assist those returning to work in a graduated manner. Parents who do more than eight hours of activity per week will be eligible for up to 36 hours of subsidised child care per week; and once parents do more than 24 hours per week they will be eligible for up to 50 hours of subsidised care per week.
