2015-16 Budget Estimates Hearings

Outcome Number: 5.2 National Disability Insurance Scheme Question No: SQ15-000812

Topic: NDIS

Hansard page: CA 125, 4 June 2015

Senator McLucas, Jan asked:

Funding profile for the NDIS over the forward estimates - it is page 151 in the PBS. Could I get a comparative table that compares the funding for the out years with the funding that was originally allocated in the 2013 budget. I know the years will not match up but is it possible to draw up a table which compares table 2.5.2 with the equivalent table that would have appeared in the 2013 budget? Which includes sources as well.

Answer:

Please see the **attached** tables that set out total government appropriations for the NDIS, as per the 2014-15 and 2015-16 Budgets, including sources. These give a fuller picture of NDIS funding than Table 2.5.2 in the PBS.

This table format is not currently available for 2013-14.
