**Hansard page: CA 85, 4 June 2015**

**Senator Moore, Claire** asked:

Coming back to standard data, what percentage of FTB Part A recipient families have one or two parents who are in the workforce. Can I also have on notice what percentage of FTB families have a parent in the workforce.

**Answer:**

The department is unable to answer this question as data is not collected on workforce participation of family assistance payment recipients as it has no direct impact on eligibility for payment.
