HEALTH PORTFOLIO

Budget Estimates 2017 - 2018, 30 May 2017

Ref No: SQ17-000649

OUTCOME: 6 - Ageing and Aged Care

Topic: Short-Term Restorative Care and Residential Aged Care Places

Type of Question: Hansard Page 105, 30 May 2017

Senator: Polley, Helen

Question:

Senator POLLEY: Are any of the new short-term restorative care places announced in February operational yet?

Ms Rule: Yes, they are.

Senator POLLEY: Do you want to table those?

Ms Rule: I do not have them in a form that is suitable to table, but I can tell you that around 39 services have advised us that they now have those places operational.

Senator POLLEY: Where are they?

Ms Rule: I would have to take that on notice. I do not have a list of the 39.

Senator POLLEY: You would not be able to tell us now what states and whereabouts? You can take that on notice.

Ms Rule: I can take that on notice.

Senator POLLEY: How many of the residential aged care places allocated in the previous ACAR rounds remain nonoperational?

Ms Rule: I would have to take that on notice. I do not have it, as it relates to the last aged-care approvals round.

Answer:

- a) As at 19 June 2017, 41 Short-Term Restorative Care (STRC) services (348 STRC places) are operational. Further detail is provided at Attachment A.
- b) As at 30 June 2016, 35,124 residential aged care places allocated in previous Aged Care Approvals Rounds remained non-operational. The average timeframe for provisionally allocated places to become operational is 4.3 years.
