HEALTH PORTFOLIO

Budget Estimates 2017 - 2018, 30 May 2017

Ref No: SQ17-000661

OUTCOME: 2 - Health Access and Support Services

Topic: ANACAD

Type of Question: Hansard Page 51, 30 May 2017

Senator: Watt, Murray

Question:

Senator WATT: But ANACAD has not raised any issues with the health department?

Mr Smith: ANACAD discussed it at their meeting. I would need to take on notice whether there has been any formal correspondence in relation to the outcomes of that discussion.

Answer:

The ANACAD reports to the Australian Government, it does not provide advice to the Department of Health.
