Topic: Home Care Packages

Type of Question: Written Question on Notice

Senator: Siewert, Rachel

Question:

Since 27 February this year, how many people have gone on the national waitlist and how many people have come off the waitlist because they have commenced a service?

Answer:

The Department intends to provide public reporting on the size of the national queue early in the second half of the year, as part of broader reporting on the operation of the new national home care system.
