ANSWERS TO ESTIMATES QUESTIONS ON NOTICE

HEALTH PORTFOLIO

Budget Estimates 2017 - 2018, 29 May 2017

Ref No: SQ17-000728

OUTCOME: 1 - Health System Policy, Design and Innovation

Topic: Review of National Health and Medical Research Council (NHMRC) Australian guidelines to reduce health risks from drinking alcohol

Type of Question: Written Question on Notice

Senator: Watt, Murray

Question:

Is the government planning to undertake a communication strategy to promote the NHMRC Guidelines existence and content?

Answer:

The Department will consider opportunities for promoting and disseminating the NHMRC Guidelines once the review process is completed.
