**Type of Question:** Written Question on Notice

**Senator:** Watt, Murray

**Question:**

What was the average out of pocket costs for GP consultations in the December 2014 quarter - broken down into Commonwealth electorate?

**Answer:**

The Department of Health is unable to provide the average out-of-pocket cost for privately billed GP services by Commonwealth Electorate for the December 2014 quarter as the considerable work involved would require a significant diversion of resources from other departmental operations.

The average out-of-pocket cost for privately billed GP services nationally, by state and territory and by remoteness area by quarter is available on the Department of Health website at <http://www.health.gov.au/internet/main/publishing.nsf/Content/Medicare+Statistics-1>
