Ref No: SQ17-000890

OUTCOME: 2 - Health Access and Support Services

Topic: Mental Health and Suicide Prevention

Type of Question: Written Question on Notice

Senator: O'Neill, Deborah

Question:

SQ17-000434 outlines a number of funding amounts in relation to mental health and suicide prevention across the Department of Health portfolio. The Department provided a breakdown of \$4.2 billion across 2015-16. Can the Department provide a breakdown of this funding for 2016-17 and onwards.

For each area in Attachment A can the Department provide a further breakdown of what programs and services are delivered and the funding amounts for each of those?

In relation to Attachment B can the Department provide the individual funding amounts for each of the organisations listed under each of the program areas including totals? Is there a reason why only funding for 2015-16 is provided? Can the Department provide funding for the same information for 2016-17 and onwards?

Answer:

Please refer to the response provided to Question on Notice SQ17-0000434 which notes that published data is not yet available for all portfolio funding elements for 2016-17 and forward years.

Please refer to Attachment A – Table 1: 2015-16 Department of Health Mental Health Expenditure.

Please refer to Attachment B: Table 2: 2015-16 Mental Health Program funded organisations.
