Question:

Can you provide a breakdown of successful providers for CHSP growth funding by electorate? Including:

- amount of existing funding;
- total growth funding;
- total services contracted to or have committed to deliver;
- the percentage of the total cost of the services provided that are funded by CHSP funding?

Answer:

Data on Commonwealth Home Support Programme (CHSP) Growth Funding is not reported by electorate. Funding is allocated by Aged Care Planning Region (ACPR) and not by electorate. Funding allocated to ACPRs will cross multiple electorates.

Data is not yet available at the provider or service level as individual contracts for Growth Funding are still under final negotiation.
