HEALTH AND AGEING PORTFOLIO

Supplementary Budget Estimates 2010-11, 20 October 2010

Question: E10-155

OUTCOME 4: Aged Care and Population Ageing

Topic: AGED CARE APPROVALS ROUND

Hansard Page: CA 36

Senator Boyce asked:

How many residential and community places are available in the 2009-10 ACAR versus the applications received figures by state?

Answer:

See table below for the number of residential and community places made available versus the number of applications received in the 2009-10 ACAR.

Table 1: List of residential, community and flexible places advertised in the 2009-10 ACAR versus the number of applications received

State/territory	Residential Places available	Residential Applications received	CACP Places available	CACP Applications received	EACH Places available	EACH Applications received	EACHD Places available	EACHD Applications received
New South Wales	2,244	100	517	316	115	240	57	186
Victoria	1,490	97	428	244	338	194	210	144
Queensland	2,003	61	337	233	578	222	350	168
Western Australia	1,564	18	107	54	384	80	250	60
South Australia	237	24	135	65	17	40	10	26
Tasmania	245	16	28	33	10	24	10	16
ACT	286	5	10	16	88	15	58	14
Northern Territory	71	2	20	9	11	4	10	3
National	8,140	323	1,582	970	1,541	819	955	617
