OUTCOME 5: Primary Care

Topic: GP SUPER CLINICS

Written Question on Notice

Senator Fierravanti-Wells asked:

- a) How many General Practitioners or GP Super Clinics have claimed or received incentives to relocate to GP Super Clinics - and to what clinics did they re-locate?
- b) How much have been paid in incentives as a total figure and as individual amounts per clinic?

Answer:

a and b)

A total of \$2600 has been paid in relocation incentives under the GP Super Clinic program. The Department of Health and Ageing does not provide information on the number, or identity of GP Super Clinics which have sought relocation incentive payments as part of their contractual arrangements.
