DEEWR Question No. CA0020_12

Senator Scullion asked on 21 October 2011, Hansard page 6

Question

Job placement

Senator SCULLION: Thank you. Let us just go back: what is the invoice for? A placement at 13 weeks and at 26 weeks? Mr Griew: That is a question about the job services provider. Senator SCULLION: Yes, that is right—the job find agency. Mr Griew: And those figures will depend on the assessed level of the client. We do not have those figures with us but we can provide them on notice. Senator SCULLION: That is fine. What you will be providing me is the spectrum— Mr Griew: It is a matrix. Senator SCULLION: For example, at placement there will be a series of different figures for placement according to the needs. Mr Griew: Yes.
