Outcome Number: 7

Question No: 288

Topic: Coordinator General Report

Hansard Page: 21/10/2011 CA14

Senator Scullion asked:

Please advise which parts of the Coordinator General's Report will be released and which parts will not be released. Please provide rationale for why parts will not be released.

Answer:

I have now received Mr Bill Gray's report of the independent mid-term review of Office of the Coordinator General for Remote Indigenous Services. The review was commissioned by me in order to assess the effectiveness of my Office and inform its operational development. I am currently considering Mr Gray's report including whether its public release to stakeholders is appropriate.
