Answer:

- a) Ministerial and ministerial staff travel costs for Community Cabinet meetings are paid through the Department of Finance and Deregulation.

These figures include airfares and Travelling Allowance claims. They do not include travel by taxis (due to the difficulties determining exact destinations using the electronic information as provided by Cabcharge) or travel on Special Purpose Aircraft (which is administered by the Department of Defence).

A Schedule of Special Purpose Flights is produced periodically by the Department of Defence covering a six month period, and is tabled in the Federal Parliament.

Ministers, and their staff, often conduct official business additional to Community Cabinet meetings while at a Community Cabinet location. It is not possible to disaggregate the effects of such other business on the costs listed in this answer.
