ANSWERS TO ESTIMATES QUESTIONS ON NOTICE

HEALTH AND AGEING PORTFOLIO

Supplementary Budget Estimates 2011-2012, 19 October 2011

Question: E11-120

OUTCOME 10: Health System Capacity and Quality

Topic: EHEALTH - PERSONALLY CONTROLLED ELECTRONIC HEALTH RECORD
BENCHMARKS

Written Question on Notice

Senator McKenzie asked:

Can you provide the benchmarks for the PCEHR?

Answer:

The term 'benchmarks' has been interpreted as referring to the Key Performance Indicators (KPIs) in the Department of Health and Ageing Portfolio Budget Statements (PBS).

The KPIs for the personally controlled electronic health record (PCEHR) are published in Outcome 10 of the Department's PBS 2010-2011.
