Supplementary Budget Estimates 2011-2012, 19 October 2011

Question: E11-132

OUTCOME 5: Primary Care

Topic: GP SUPER CLINICS

Written Question on Notice

Senator Concetta Fierravanti-Wells asked:

On what date did the Commonwealth, presumably under clause 3.1(d), notify the organisation that its plan and budget were acceptable?

Answer:

The information requested relates to the business affairs of the organisation and its provision as a response to the question would be likely to damage the commercial interests of individuals or the organisation.
