Written Question on Notice

Senator Fierravanti-Wells asked:

Could a copy of the Funding Agreement between foundation [Redcliffe Hospital Foundation] and the Department of Health and Ageing be made available?

Answer:

Yes. The Agreement has been redacted insofar as the information requested relates to the business affairs of the organisation that are not already in the public domain and where its provision as a response to the question would be likely to damage the commercial interests of individuals or the Redcliffe Hospital Foundation.
