Senator Fierravanti-Wells asked:

Have any representations been made to the Minister by Mr Thomson, the Member for Dobell in relation to the Warnervale GP Super Clinic?

What responses have either the Department or the Minister given Mr Thomson or his office in relation to the North Central Coast Super Clinic?

Answer:

In 2008 the Member for Dobell invited the Minister to a meeting to discuss a range of matters, including the establishment of a GP Super Clinic. The request was declined.
