Written Question on Notice

Senator Adams asked:

Note: 2010-11 Annual Report contains a percentage variation for expenses.
This is due to one project commencing sooner than expected (page 277).

To date, have there been any variations to the funding agreements? If yes, please provide the Committee with details, including the dollar amount and by project.

Answer:

No. There have not been any variations to funding agreements relating to the project commencing sooner than expected.
