Supplementary Budget Estimates 2011-2012, 19 October 2011

Question: E11-272

OUTCOME 1: Population Health

Topic: CSL

Written Question on Notice

Senator Fierravanti-Wells asked:

Whether there are any other products in the NMS or the NIP that are the subject of any investigation by the TGA, FDA or any other regulator, and, if so, what the details are?

Answer:

The Therapeutic Goods Administration (TGA) is not undertaking any other similar investigations. The TGA is not able to comment on whether other regulators are undertaking such investigations.
