Question: E11-289

OUTCOME 1: Population Health

Topic: FLU VACCINE

Written Question on Notice

Fierravanti-Wells asked:

When did the Therapeutic Goods Administration (TGA) receive from the Food and Drug Administration (FDA) the 2009 US Food and Drug Administration assessment of CSL's clinical trials for its paediatric flu vaccine?

Answer:

The FDA assessment of CSL's clinical trials for its paediatric flu vaccine has not been provided to TGA.
