OUTCOME 1: Population Health

Topic: INTERGOVERNMENTAL COMMITTEE ON DRUGS

Written Question on Notice

Senator Fierravanti-Wells asked:

Will all the presentations provided to the committee be made public so that interested parties can follow the advice being provided to the Committee?

Answer:

The response has been prepared in reference to the Standing Committee on Alcohol, which is a newly established committee under the Intergovernmental Committee on Drugs. (IGCD).

Relevant publications and reports cleared by the IGCD and relevant Ministers for release will be made available on the National Drug Strategy website.
