Supplementary Budget Estimates 2011-2012, 19 October 2011

Questions: E11-326

OUTCOME 1: Population Health

Topic: ALCOHOL POLICY

Written Question on Notice

Senator Fierravanti-Wells asked:

Does the Department employ consultants or other advisers to provide policy advice who work, or have worked in the alcohol industry? If so please provide details.

Answer:

The Department doesn't currently employ any consultants or advisors to provide alcohol policy advice.

The Department consults widely on alcohol policy issues including seeking advice from the alcohol industry.
