Topic: SORELL GP SUPER CLINIC

Written Question on Notice

Senator Fierravanti-Wells asked:

Under what clause of the funding agreement with Sorell Integrated Health will the Commonwealth be seeking to terminate the Funding Agreement?

Answer:

The Commonwealth is not terminating the funding agreement under the provisions of any of its clauses. It is being terminated by the agreement of both parties, and the terms to apply to that termination are being negotiated and set out in a Deed of Mutual Termination to be executed by both parties.
