Supplementary Budget Estimates 2011-2012, 19 October 2011

Question: E11-396

OUTCOME 5: Primary Care

Topic: GP SUPER CLINIC PROGRAM

Written Question on Notice

Senator Fierravanti-Wells asked:

- a) When did the Western Australian Government advise the Department of Health and Ageing that it would be making a contribution to GP Super Clinics in Western Australia?
- b) Which clinics are receiving a contribution from the Western Australian Government?
- c) For each clinic receiving a contribution what is the level of this contribution?

Answer:

- a) The Western Australian Government advised the Department of Health and Ageing of its intention to contribute to GP Super Clinics in Western Australia in March 2008.
- b) and c)
As published in the GP Super Clinics National Program Guide 2008, Wanneroo and Midland GP Super Clinics will receive a \$5 million contribution from the Western Australian Government.
