Written Question on Notice

Senator Fierravanti-Wells asked:

- a) Did the \$10,000 paid to Dr Douglas to relocate after his dental surgery was bulldozed to make way for the GP Super Clinic car park come from part of the Federal GP Super Clinic funding provided to Narrandera GP Management?
- b) If not, from which program did this funding come from?

Answer:

a) and b)

The financial assistance provided to Dr Douglas was contributed by the funding recipient using its own funds.
