ANSWERS TO ESTIMATES QUESTIONS ON NOTICE

HEALTH AND AGEING PORTFOLIO

Supplementary Budget Estimates 2011-2012, 19 October 2011

Question: E11-496

OUTCOME 10: Health System Capacity and Quality

Topic: EHEALTH STANDARDS AND TIGER TEAMS

Written Question on Notice

Senator Fierravanti-Wells asked:

Is there an expectation that further costs will now be incurred by vendors having to comply with changing standards?

Answer:

There are no additional costs expected. The specifications are under change control processes to ensure simplicity and certainty. This process should minimise the change control imposed by Standards Australia.
