ANSWERS TO ESTIMATES QUESTIONS ON NOTICE

HEALTH AND AGEING PORTFOLIO

Supplementary Budget Estimates 2011-2012, 20 October 2011

Question: E11-503

OUTCOME 1: Population Health

Topic: WIND TURBINES

Written Question on Notice

Senator Madigan:

Are you aware of the reports of symptoms consistent with exposure to operating wind turbines being reported at distances up to 10km away from turbines?

Answer:

NHMRC is aware of anecdotal reports linking health effects with exposure to wind turbines over long distances.
