HEALTH AND AGEING PORTFOLIO

Supplementary Budget Estimates 2011-2012, 20 October 2011

Question: E11-506

OUTCOME 1: Population Health

Topic: WIND TURBINES

Written Question on Notice

Senator Madigan:

- a) Will the identities of the peer-reviewers of the updated literature review and the text of their comments be made publicly available?
- b) When is it estimated that this will be completed?
- c) Is the NHMRC planning to amend the public statement in the interim? And when?

Answer:

- a) This issue is currently under consideration.
- b) The updated literature review is expected to be completed by mid-2012.
- c) No, any amendments to the Public Statement: Wind Turbines and Health will be made following the conclusion of the literature review.
